1. The following is an examiner's statement of reasons for allowance: applied prior art doesn't describe etching the metal stack and the resistor layer using the first pattern to form metal line and thin film resistor, wherein the metal line is physically separated from the thin film resistor.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to DuyVu n Deo whose telephone number is 703-305-0515.
